## The Fred and Susie Show Theme Song

Two friends, through any kind of weather  
Two friends, make the world much better  
Having lots of fun and learning stuff together  
It's the Fred and Susie show!  
Friends are birds of the same feather  
Friends will make your day much better  
Sing your favorite songs and laugh a lot together  
It's the Fred and Susie show,

## The Bunny Buddy Theme Song

He's cute and extra cuddly  
He's every friend you want to be

## Fuzzy Blues

I've been chasing my tail,  
And my frisbee's in a tree.  
It's six hours 'til dinner, but I'm already hungry.  
I'm so blue. I'm really, really blue.  
I'm the bluest hound dog you ever knew.  
I'm crazy, crazy blue.

I've been out in the yard,  
And off down the street.  
I've been soaking up rays like I'm down at the beach.  
I'm so tan. I'm really really tan. Yes I am.  
I'm the tannest hound dog in all the land.  
There's no sun screen for me I'm so tan.

I like sniffing the flowers  
And chasing the bugs-ees.  
They tickle my nose, 'cause the bees  
are so buzzy.  
I'm so fuzzy. Yes I'm really really fuzzy.  
There never wuzzy a dog like me,  
That wuzzy so fuzzy.  
There never wuzzy a dog like me,  
That wuzzy so fuzzy!

## The Truth Groove

Always tell the truth  
Cause the truth is here to stay  
Always do what's right  
Cause you know you should obey, yes you should,  
it's the only way to go now

Can't you feel it moving inside  
The truth brings your spirit alive

Always tell the truth  
Cause the truth is here to stay  
Always do what's right  
Cause you know it is God's way, yes it is, it's the  
only way to go

It's better you don't ever hide  
Something you know you shouldn't have tried  
Even though you think that no one knows  
You'll feel bad in your soul

Always tell the truth  
Cause the truth is here to stay  
Always do what's right  
Cause you know you should obey, yes you should,  
it's the only way to go, yeah

You know when you've crossed the line,  
Or said something that isn't fine  
Though you must be brave to spill the beans  
It feels great when you've come clean

Always tell the truth  
Cause the truth is here to stay  
Always do what's right  
Cause you know you should obey, yes you should,  
it's the only way to go

Being honest is what's really cool  
That's one of God's grooviest rules!

You always tell the truth  
Cause the truth is here to stay  
Always do what's right  
Cause you know it is God's way, yes it is, it's the  
only way to go, Yeah!
